

## Part – 1 Environmental Policy Statement

Electrafence Limited recognises the need for sustainable development and continually aims to improve the environmental impact of its activities and review its policy at least once per year. To achieve this we will: -

### ***Establish sound environmental management by: -***

1. Meeting or improving upon relevant legislative, regulatory and environmental codes of practice.
  2. Developing objectives that target environmental improvements and monitor performance by regular review.
  3. Consider environmental issues in the decision-making process.
  4. Developing a relationship with suppliers and contractors so that we all recognise our environmental responsibilities.
  5. Educating staff so that they carry out their activities in an environmentally responsible manner.
  6. Promoting an appreciation of the company's environmental performance among customer, employees and the general public.
- Providing for the effective use of resources by: -
1. Advising customers on the efficient use of energy and other utilities.
  2. Promoting waste minimisation by recycling or finding other uses of by-products whenever economically viable.
  3. Electrafence will work with its on-site partners to ensure that all waste is transported & disposed of using ISO9001/14001 accredited waste carriers, whilst confirming that this accreditation & their waste carriers' licence are up to date.
  4. Electrafence will use the same criteria as point 3 to ensure that all waste generated or returned to the Winsford site is dealt with in an environmentally appropriate manner, whilst monitoring the types of waste generated and disposed of by its approved waste carrier.
  5. Promoting the efficient use of resources, energy and fuel throughout the company's operations.
  6. Provide information for the company's products to be properly used, stored and disposed of so as to avoid unacceptable effects on the environment.

Co-operate with: -

- The communities in which we operate.
- The government, regulatory bodies and other interested parties with the shared vision of being a good and trusted neighbour.
